# The Bloomsburg University Advantage

Bloomsburg University's innovative hybrid class structure allows you to complete a graduate course every two months.

Classes are taught 50% online and 50% face-to-face in downtown Philadelphia in the Mellon Independence Center, 701 Market Street. Classes meet every other Saturday, allowing you to continue to work full time!

## REGISTRATION IS EASY

There is a rolling admission process, so applications are accepted year-round. Students can be admitted to start in the fall, spring, or summer semesters. The program admits students based on an evaluation of academic achievement, aptitude for advanced study, professional accomplishments, and motivation to succeed.

## AN ACCREDITED PROGRAM

Bloomsburg's business programs have AACSB Accreditation, *the hallmark of excellence* in business education that has been earned by less than five percent of the world's business programs.

## AFFORDABLE EXCELLENCE

At Bloomsburg, you can save more than \$1,500 on tuition for every class compared to competing programs.
